

Academic Advising at Orientation

1

Students sign up for Orientation

Incoming students must sign up for an orientation date to get access to the Pre-Orientation Canvas Course. The OR Hold is pushed back to the students' scheduled orientation date. The OR Hold is removed when the student attends that orientation.

Pre-Orientation Canvas Course

Incoming students may begin taking the Pre-Orientation Canvas Course on March 15. Students should complete the *Required Class Registration Form* at the end of the course. The OC hold will be removed within 24 hours of successful completion of the course.

2

3

Next Steps

Students receive an automatic email once they complete the Canvas course--providing next steps. This will include placement test and other important information.

Academic Advising

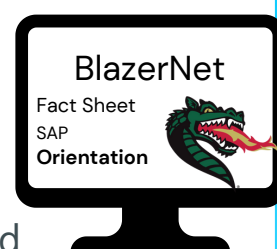

Advisors should provide class registration info to each student. Advisors may communicate with students in the format that works best for the advisor and student.

4

5

BlazerNet Note

Advisors should click on the Orientation button in BlazerNet once the student has received class recommendation information. This will provide an automatic note signaling advising has been completed.

Blazer Beginnings

Students attend their scheduled Orientation date. On Day 2, students are required to meet with each academic unit to get to know other incoming students, their advisor and more information about the school. We are calling this "community building."

6

7

Class Registration Q & A

Students that did not register for classes before attending orientation as well as those who have questions about their class schedule should stay after the advising meeting to get registered.

The Pre-Orientation Canvas Course opens on **March 15, 2025**.

Transfer/Non-Traditional students attending the April 14 and May 9 orientation dates may begin registering on **April 7, 2025**.

Incoming students should begin hearing from advisors before or on **April 21, 2025**.

Honors College students that are registered for an Honors Orientation date may begin registering for classes on **May 5, 2025**.

All incoming students that are registered for an Orientation date may begin registering for classes on **May 19, 2025**.
